DECEMBER BLOOD DRIVE

Dear Allyson,

Let's dispel some myths-----#7 and we have 10 for you

Myth #7: "Members have to attend too many meetings"  
Sure, BOMA offers many opportunities to members -  
annual convention, membership luncheons, team meetings  
and special events. But ultimately, you decide what  
you are going to attend, you can still learn about the meeting  
from your colleagues and meeting minutes. And whenever  
you can't attend a meeting, you can rest secure in the  
knowledge that great work is still being done on your  
behalf.
